CLASS OF 2027 SABER FUNDRAISER

HONOR ★ TRADITION ★ LIFETIME OF SERVICE

Cadets traditionally carry a ceremonial saber during formal ceremonies and graduation — a handcrafted, personalized symbol of everything they've earned across four demanding years at the Academy. It's not required, but for families who choose one, it becomes one of the most treasured keepsakes of their cadet's journey.

The USAFA Parents Club of Alabama is launching its first Saber Fundraiser with the goal of providing a personalized saber for every qualifying Class of 2027 cadet whose family is a paid member of the club. We hope this becomes an annual tradition, with the club holding a Saber Fundraiser each year to recognize and celebrate our Alabama cadets as they prepare to graduate.
