Class of 2027

Saber Fund

Help us equip every Alabama cadet graduating with USAFA's Class of 2027 with a ceremonial saber — a handcrafted, personalized symbol of the honor, precision, and Air Force heritage they've earned across four demanding years at the Academy.

\$500 × 20 cadets = \$10,000 goal

Personalized sabers take 4–6 weeks to produce — we're asking for gifts by **January 15, 2027**, well ahead of graduation.
